

Unless otherwise specified, each question is worth 2 points.

2. Draw the structure of the major organic product for each of the following chemical reactions:

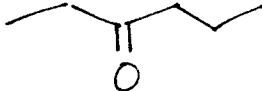

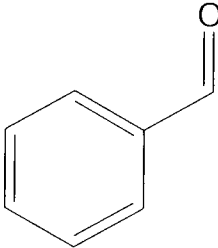

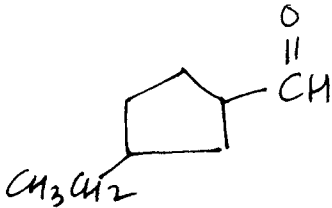

3. Draw the enol form of the following ketone:

Unless otherwise specified, each question is worth 2 points.

1. Complete the following table:

	NAME	FORMULA / STRUCTURE
a	PROPANAL	$\text{CH}_3\text{CH}_2\text{CHO}$
b	3-hexanone	
c	BENZALDEHYDE	
d	3-ethylcyclopentanecarbaldehyde	
e	3-ETHYLCYCLOPENTANONE
